of Law
Foundation

Our Goal

Promote innovations to find new and better solutions to achieve public objectives, improve access to rights, conflict resolution, the effectiveness of the justice system and peacebuilding.

Objectives

Present innovative projects of organizations and authorities in different countries that represent advances in conflict resolution, solutions in justice systems and construction of strategies that strengthen peacebuilding.

Laying the foundation to build an international network of innovative people dedicated to conflict resolution and justice.

Broadcast innovations in institutional management and the use of technological strategies in conflict resolution and access to justice.

Scope

More than 60 lecturers and speakers from Mexico, El Salvador, Colombia, Peru, Argentina, Bolivia, Chile, the United States, Canada, France, the United Kingdom, the Netherlands, Germany, France, Belgium, Spain, Kyrgyzstan, Kenya, Sierra Leone and South Africa participate.
